

Dear Valued General Atomics (GA) Supplier,

General Atomics (GA) is closely watching the COVID19 situation. We realize many of you may be restricting travel and have already inquired about the status of GA's upcoming event given the current pandemic. As a result of recent developments and newly released CDC and San Diego County health guidelines, GA has made the decision to cancel the 2020 Supplier Day currently scheduled for April 30th, 2020.

The event will be rescheduled for a later date and you will be notified as soon as possible. We appreciate your interest, and thank you for your continued support for this event.

Thank you,

General Atomics
